Information for Applicants

Operating as a cooperative gallery since 1973, Viewpoints seeks to maintain a wide variety of high quality artwork in different media.

The gallery maintains a City of Los Altos Business License. Members must have their own State Board of Equalization License (Seller's Permit) and are responsible for taxes incurred from sales.

Sales made in the gallery are payable directly to the artists where a check is used. Where a credit card is used, sales will be processed by the treasurer and paid to the artist minus bank charges. No commission is charged on sales.

Spaces to hang artwork are rotated monthly according to a posted schedule. Artists are encouraged to bring in new work each month. Members hang their own artwork. All artwork is to be original and may include up to one reproduced print on an artist's wall each month. In addition, up to three small and three large pieces per artist may be exhibited in a separate print rack. Finally, each artist may use one column in a rotating card rack to display their greeting cards for sale. The Viewpoints Gallery website publicizes gallery events and also includes a page for each artist.

Each member is scheduled for a feature show of original works every 14 months.

Members share the duties of staffing the gallery and performing all of the other requisite tasks. Staffing duties are shared each month and are usually 2-3 days each month. In addition, members share in planning and helping at receptions for future shows.
